DISCUSSION

1. Effective town communication

Finished organizing the timeline for completion of the captains list:

June 10-24 - contact the 28 people who will have agreed to be captains to give them their lists and ask their list how they would like best to be contacted. Also at this time share townofstamfordvermont.org, stamfordvt.org and Stamford Informed (facebook)

Check the master list to see if we have email addresses for any of the 28 people who have been identified as people willing to serve as captains as well as any other residents. Pat will research numbers 42-192, Helen 193-342, Lori 343-448.

June 24 - Finish the list. That means getting 10 more people to agree to be captains (total of 38) and updating contact information to the best of our ability at this time.

If we find roads with no one willing to be captain, we'll call people who we know will contact others and cover the overage that way.

Using the list:

SeedSavers will be having workshops by the end of the summer and this would be a good use to the list.

HarveStamford Community Supper on August 29.
