DISCUSSION

Effective town communication:

We'll use Stamford's "Corn Craze" on August 22, 2020 (K's Creamery and McKay Family Farm) and the HarveStamford Community Share on August 29, 2020 (Building Community Group and Seedsavers) as test groups for using the road captains to communicate about events. Pat will contact the Malachuks and the McKays to determine their desire to be used as test groups. If they are, they will contact Helen with event information for Helen to share with the road captains. Helen will give the road captains their assigned contacts and we'll see how this works for the first time.

At the next meeting we can evaluate this first effort and make changes for the next time.
